Anne of Green Gables by R.N. Sandberg
adapted from L.M. Montgomery's novel

Just in time for the holidays, comes this family story of a high-spirited orphan girl who is mistakenly sent to a childless couple that thought they were getting a boy to help on their farm. What follows is a series of trials and tribulations that almost cause them to send Anne back to the orphanage. However, her constant chatter, romantic imaginings and irresistible charm convince them that she is the best thing that ever happened to them, and Anne finds a loving family.
