

Beadiful Creations & more ...

As a Girl Scout leader I know I am always looking for new and creative ideas for earning try-its. What girl doesn't love jewelry? Why not have your Girl Scouts learn how to make real jewelry. They will learn to use the proper tools, wire, glass and silver beads. The best part is we come right to your meeting!

The classes can be adapted to all levels. Some example try-its might be: a friendship bracelet for Daisies, Art to wear and Hobbies for Brownies, Jeweler and Doing hobbies for Juniors, and Artistic Crafts for Cadettes/Seniors.

Not looking to complete a specific try-it, but your looking for something fun for the girls to do with their cookie money, why not have a jewelry party? The girls learn how to make beautiful creations for themselves or to give as gifts.
