Camp Brochure!

The Summer 2009 Camp Brochure will be mailed to the home of all registered Girl Scouts in January! This year's Camp Brochure will include both Sleep Away Camps and Day and Evening Programs in one booklet. Registration for Sleep Away Camps will begin in February. Spread the word - summer is just around

Canoeing and Archery!

Girls have the opportunity to canoe at both Camp Winona and Camp Coles Trip and troops have the opportunity to reserve trailers of canoes to take to other sites. Archery ranges are available at Camp Potomac Woods and Camp Coles Trip. Troops must have a trained adult to canoe and participate in archery. Training is available through GSCNC, as well as a resource list of trained volunteers willing to help other troops. There is a small fee to reserve equipment. For more information, contact Celia Overby.

Low Ropes Courses!

A low ropes training has just been organized for October 25 & 26 at Camp Crowell. Those trained will have the opportunity to lead girls through the courses at Crowell and May Flather. Cost is \$155- free accommodations available, but food is not provided. Cost is waived for adults who agree to be part of a resource team- committing to co-facilitate at least 3 large events (Core Camps, Council programs, Service Unit Encampments, etc.). For more information, contact Celia Overby.
