

Neighbors Helping Neighbors Community Holiday Coalition

WE NEED YOUR HELP!

Fill a Stocking
(newborns to teens)

Or

Fill a Gift Bag
(seniors and adults with disabilities)

Call Early!

October is a perfect time to reserve your
stockings or bags

Reserve your items by calling our stocking and gift
bag message line
703-737-8062

Please read reverse for
“How the Program Works”

How the program works

Stockings

Newborn (0-2 years)
Toddlers (3-4 years)
Youth (5-8 years)
Pre-Teens (9-12 years)
Teens 13-18 years)

Gift Bags

Seniors (60 and over)
Adults with Disabilities (18-59 years)

Once your troop has decided how many stockings/gift bags you will fill and the age group and gender you will fill for, you will call the stocking/gift bag message line and leave the following information:

- i. Your name
- ii. Your Troop number
- iii. Your phone number
- iv. The number of stocking/gift bags you would like to fill
- v. The age group and gender you will fill for
- vi. Individuals name that will pick-up your items if it is someone other than the person that placed the order

Call early to reserve your stockings or gift bags. October is an excellent time to call. If you call mid November, you may be asked to fill for a group that we are most in need of which may not be the group your troop had decided on. You may request as few as one stocking or gift bag.

When your order is available for pick-up from our Leesburg office you will be notified. We will set aside several days and times each week for pick-up.

We will provide you with 24" red mesh stockings or 8" X 10" X 4" gift bags, a suggestion list and instructions for returning your filled items.

Your troop will purchase or collect new items to fill the stockings and bags. Unwrapped items should fit into the stocking or bag; however, if you have collected larger items please bring them to the store as separate items.

Stockings and Bags are returned to the Holiday Store located at 22714 Glenn Drive, #100, Sterling, VA from December 7 through December 10, 2008.
