

Loudoun E-Edition

December 11, 2008

Make sure you have all your girl registrations turned into your registrar or Field Director before the end of the year. This is a reminder that girls must be registered before they can sell cookies on January 2nd. e-Budde tracks orders for each individual girl. We will be uploading the names of all girls registered through on-time into the system. We will be tracking GSUSA registration for all girls added into the system throughout the cookie sale not just at incentive time. No registration - no cookies. So we encourage you to take care of registering all the girls in your troop now to avoid any problems during the sale.

Loudoun E-Edition informs Girl Scouts & their leaders of opportunities that are available in Loudoun County and within the Council. Many of these opportunities come from within the Association, however there may be opportunities available by outside vendors and may require council approval. GSCNC has not inspected these programs or vendors and there are no GSCNC representatives at these events. Loudoun County programs and GSCNC events that have low enrollment may also be listed.
