Are you ready to get behind the wheel? Tell us what you want to know!

GSCNC, in partnership with GEICO, is creating the Girl Scout/GEICO DASHboard Road Safety patch program. The goal of the program will be to teach girls from 11-17 how to be safe on the road, whether they are in the driver's seat, the passenger seat, or on the sidewalk. The program will address a variety of road safety topics - everything from distracted driving to car maintenance and care to road safety careers. We want YOUR opinion on what issues and activities are of most interest and importance when it comes to road safety. Fill out our brief survey and let us know what you want!

Questions on anything you see above? Contact Sara D'Angio White, Teen Program Specialist, at sdangiowhite@gscnc.org or (202) 237-1670 ext. 236.

Remember, if you have any items that you would like included in the edition feel free to email them to me (hhines@gscnc.org) and I will make sure they appear in the next edition.

Loudoun E-Edition informs Girl Scouts & their leaders of opportunities that are available in Loudoun County and within the Council. Many of these opportunities come from within the Association, however there may be opportunities available by outside vendors and may require council approval. GSCNC has not inspected these programs or vendors and there are no GSCNC representatives at these events.

Loudoun County programs and GSCNC events that have low enrollment may also be listed.
