

# Loudoun E-Edition

November 7, 2008

We have a push to get all registrations to Field Directors by noon on Wednesday, November 12th so that they can be loaded into our system in time to be entered into e-budde, the electronic cookie ordering software. This will mean less work for the leader, troop cookie parents, and the registrar. Remember girls who are not registered cannot sell cookies. Please do what you can to get those forms!!

## Brownie Points Advice from April

Troop 4702 SU 70-9

*Family Fun* magazine (FamilyFun.com) has many great ideas for crafts, games and "theme" meetings.

Remember, if you have any items that you would like included in the edition feel free to email them to me ([hhines@gscnc.org](mailto:hhines@gscnc.org)) and I will make sure they appear in the next edition.

*Loudoun E-Edition informs Girl Scouts & their leaders of opportunities that are available in Loudoun County and within the Council. Many of these opportunities come from within the Association, however there may be opportunities available by outside vendors and may require council approval. GSCNC has not inspected these programs or vendors and there are no GSCNC representatives at these events. Loudoun County programs and GSCNC events that have low enrollment may also be listed.*
