### Continuing Education Retreat

This year we have an exciting new format that reflects the changes to the Girl Scout leadership experience. Our Administrative Conference will focus on leadership skills and team building. It will be organized as a facilitated retreat rather than a workshop based program. Scheduled for February 14-15, 2009 at the National 4-H Youth Conference Center, Chevy Chase, MD. If you are interested in serving as a facilitator apply <http://www.gscnc.org/avd/cec.html> by Monday, October 13, 2008.

### Publications

*Safetywise* – GSUSA is in the process of revising this publication. Once complete it will be available on their website. There are no current plans to print hard copies of this document.

*Green Pages* – GSCNC is currently revising Green Pages and plans to revised document on our website by November 15, 2008. Hard copies of the document will be available upon request from the Information Center.

Summer Camp Brochures – Information on GSCNC summer day camps and sleep away camps will be available in one brochure this year. The current plan is to mail the brochure to all registered girl's households in early January.
